December 2017

Principal's Message

Dear Parents/Guardians,

Winter is upon us! It's hard to believe that December is here already. With that in mind, please ensure that your children are sent to school with proper snow clothing. Students arriving at school in running shoes with no hats and mittens will find it cold and wet outside. All students, including grade 6, must be prepared to take some fresh air and that means dressing for the weather.

With the holidays here and others fast approaching, we would like to take the opportunity to wish everyone a safe and happy holiday season. Spending fun time with family and friends can boost our energies and our spirits. Best wishes for a healthy and prosperous new year.

Mr. Brindle, Principal
