

# Gault's Journal

Dear Parents/Guardians

Happy New Year! We hope that you all had a restful holiday with friends and family. With the New Year come new opportunities for all our students and families. We wish you all the best for a wonderful 2018.

As with any new beginning, we can help each other by keeping on top of the kids. As always, helping to make sure our children are prepared for school is crucial for their success. Please make sure to check homework is completed, verify notes in the agenda and as always read, read, read with your children for a few minutes every day.

With winter finally on us, please be reminded to send children to school with the appropriate clothing.

We look forward to a prosperous and successful 2018. Working together we can make a difference.

Mr. Brindle, Principal
