

Providing opportunities for our students and their families through

PARTNERSHIPS

Community Learning Centres (CLCs) are community schools that bring together various stakeholders in partnership for youth development, lifelong learning, community engagement, family support, and community health and safety.

IN-KIND CONTRIBUTIONS

19,500 \$

Value in volunteer hours and human resource

Family and community volunteers are what make many activities and programs at Gault Institute possible.

PARTNERSHIPS

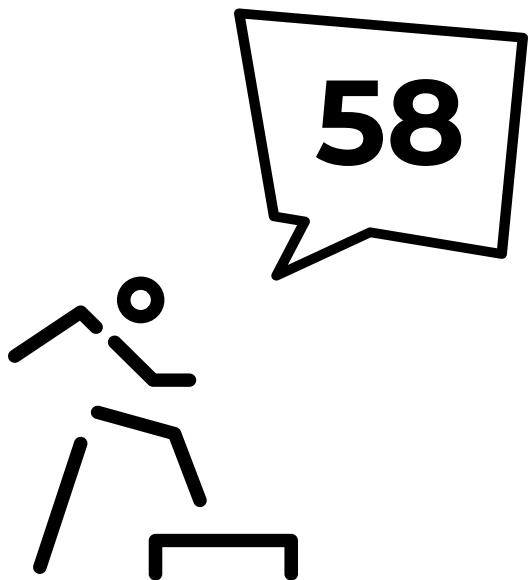

47

Partners are an integral part of Gault's Community Learning Centre. Gault worked with 47 individual partners throughout 2017-2018

ACTIVITIES

58

Gault's CLC provides activities, programs and courses for students, families, as well as community members.

IN-KIND CONTRIBUTIONS

6,316 \$

Value in Material Resources

Any material resources, big or small, that are donated to the school add up to make a difference in a student's school year.

GRANTS

4,800 \$

Many projects and programs have to be funded by grants such as our Breakfast Club and Read, Lead, Succeed

COMMUNITY TABLES

6

The CDA connects with many community organizations and resources by attending community partnership tables on the Valleyfield-Beauharnois territory.
